

Short Informed Consent Form Information

Currently the Penn IRB provides translated Short forms in the following languages:

- Arabic
- Chinese (Traditional)
- Georgian
- Greek
- Haitian Creole
- Italian
- Korean
- Polish
- Portuguese (Brazil)
- Russian
- Spanish (US)
- Vietnamese

These are available to Penn personnel- [CLICK HERE](#).

Versions with CT.gov in the file name contain clinicaltrials.gov language for studies that are required to register on CT.gov.

These versions comply with the 2018 Common Rule criteria for consent. They are based on the Penn IRB provided English Short Form template and were translated by Language Line Solutions. The translation certificate is also available in the Penn Box folder linked above.
